

Sunset Supreme

SPREADSHEET BLOCKCHAIN MACHINE

Sunset Supreme: Spreadsheet DeFi UI

- We're a group of engineers and interns from Curvegrid, a blockchain middleware company in Tokyo, Japan
- We spend a lot of time in the weeds of Solidity and go-ethereum, but don't actually know a lot about DeFi
- Mission for the hackathon

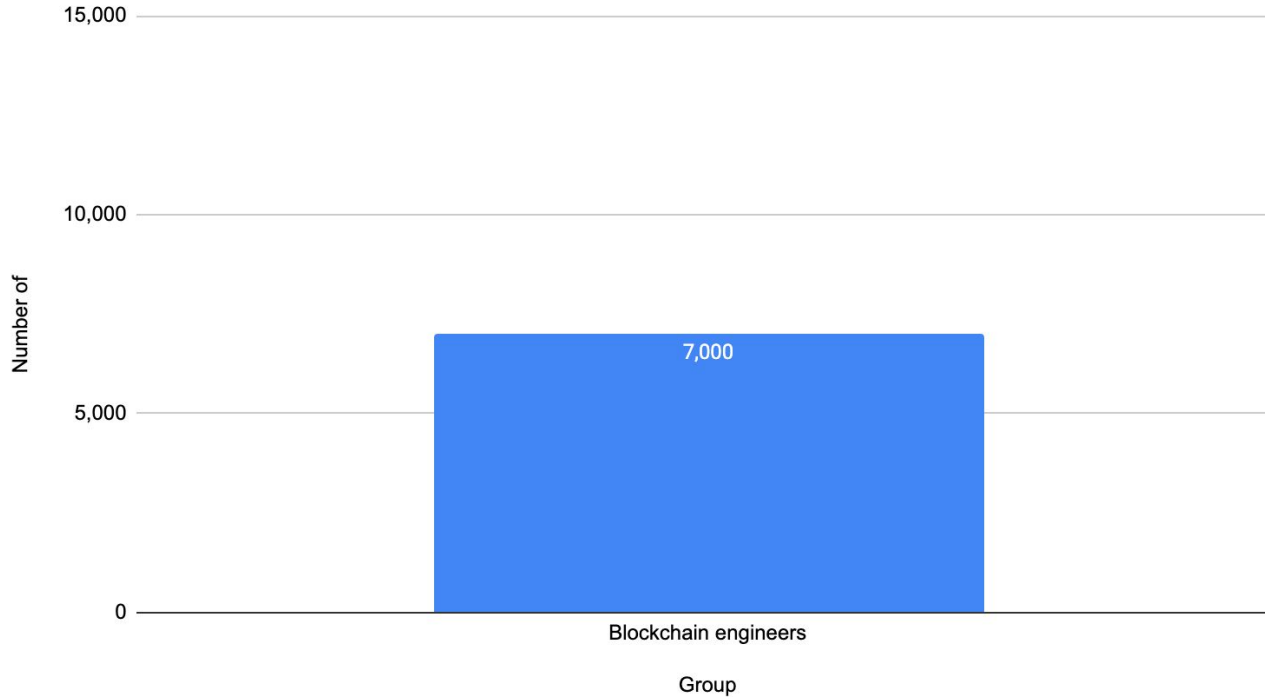

Make DeFi accessible for anyone to hack on

- Lowest common denominator

A spreadsheet

Why a spreadsheet?

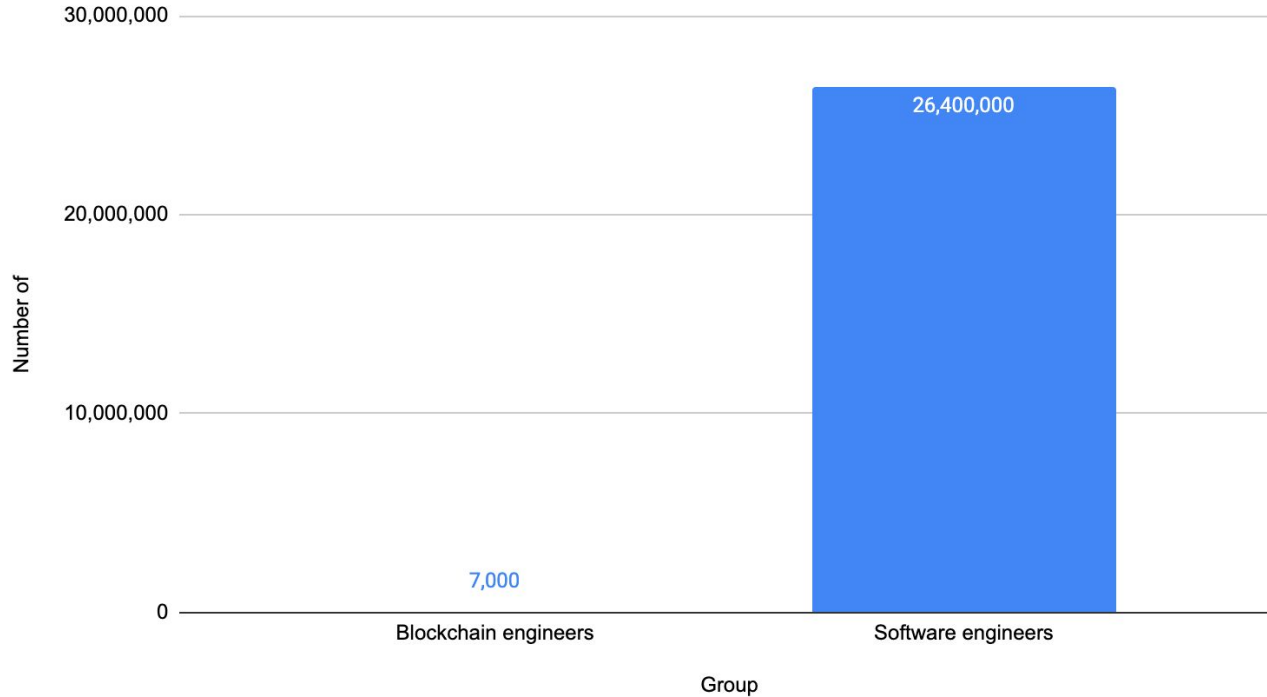

Number of Potential DeFi Spreadsheet Users
